## ABOUT THE EVENT

Due to ongoing transformation occurring within the Australian Public Service, there is a greater need for effective leadership performance across all levels. Public Sector leaders are now required to undertake work of a more complex nature, operating in an autonomous and strategic manner. As such, emerging leaders eager to take their career to the next level must be equipped with the appropriate tools and strategies to achieve success. This is particularly true at the APS 5-6 banded level, which increasingly requires greater strategic awareness and effective engagement with senior leadership.

Aimed at APS 5-6 level officers and management, this two-day workshop will provide an opportunity to advance core skills and explore the emerging leadership capabilities required for effective APS 5-6 level management.
