ABOUT THE EVENT

The transition from managing a function to leading yourself and others to achieve high performance can be daunting. Organisations need smart, values-driven and focused leadership to take us into the new era of work. Now more than ever it's vital to distinguish yourself as a true leader in your organisation and begin to plot your path for progression.

But the skills that got you here, won't necessarily be enough to take your career to the next level. You need to develop deep insights, skills and leadership styles to influence and inspire others and driver performance in your organisation.

Over two interactive days, you will explore the relationship between purpose, process, people and leading practice. This will provide you with a unique development opportunity to enhance and refine your leadership toolkit and develop into an effective contemporary leader who can successfully navigate your organisation's culture and dynamics to achieve results.

WHAT OUR DELEGATES ARE SAYING

 Fantastic initiation to leadership/ management with some real practical tools to take back and implement in the workplace.
Extremely motivating and thoughtprovoking. Has Given me an insight into how leadership/management skills influence the workplace

99

⁵⁶ The practical tips and structures were really useful. How to give feedback, how to have difficult conversations and how to assess your leadership and thinking were great.
