#### ABOUT THE EVENT

In the transitional environment of the NSW Public Sector, leaders are valued for their ability to skillfully manage complex situations and withstand external challenges. To succeed as a leader and drive productivity in your teams, it is essential to develop a firm understanding of your strengths and weaknesses. In doing so, you'll learn how they can impact your team's performance as well as your own. You will need to demonstrate keen insight into internal and external challenges, show strong emotional intelligence and the ability to positively impact stakeholders to lead with greater influence and effectiveness.

This workshop will equip you with the tools and knowledge to build confidence in your abilities as a leader.
