ABOUT THE EVENT

Excelling as a leader in the spotlight demands a diverse and adaptive skill set, but that doesn't mean a single mould defines a successful leader. Developing skills like resilience and adaptability will contribute to long-term leadership excellence, but pairing a well-rounded suite of leadership skills with extensive technical competencies is the fastest way to advance your career.

The 8th Women in Banking and Financial Services Leadership Summit 2019 brings together the country's foremost senior executives from leading institutions to share their inspirational leadership journeys, personal experiences and tips for success. This unique line-up of exceptional speakers from across the industries will address key leadership challenges to enable you to step up, excel in the spotlight and reach the next level in your career.
