Pre-Summit Workshop

15 October 2018

Lead with resilience, confidence and courage

One day workshop 9.00 - 4.30

Developing and maintaining a positive mindset is crucial for successful leadership. Accomplished leaders know how to remain resilient in times of uncertainty and project confidence in their decisions.

This interactive workshop will teach you how to cultivate self-awareness and improve your wellbeing. You will walk away with practical skills and strategies to increase resilience, confidence and courage.

Increase your emotional and social intelligence
- Understand the neuroscience of emotions
- Discover how your emotions impact your behaviour
- Understand the relationship you have with yourself and others

Increase resilience and adapt to adversity
- Explore techniques to enhance resilience
- Practical strategies for stress management
- Improve wellbeing for yourself and your team

Lead with courage and authenticity through challenging times
- Explore your leadership strengths
- Understand the behaviours that are needed in times of change and challenge
- Explore your values to help navigate you through times of uncertainty

Handle conversations with confidence
- Promote yourself positively and influence others
- Enhance your communication effectiveness through vocal intelligence
- Employ the 'Whole Brain Model' for effective communication

ABOUT THE EVENT

The Australian Healthcare industry is a challenging and changing environment. Although women make up the workforce majority, executive leadership teams continue to be male dominant. To thrive in this industry, it is vital to focus inwards and develop the capacity to step up and into your dream role.

The Women in Healthcare Leadership Summit has been designed to address industry-specific challenges women will face throughout their careers. You will discover the secrets of success and delve into the strategies our line-up of experts have used to establish leadership. This is a great opportunity to ignite your ambition and advance your career in the healthcare industry.
