ABOUT THE EVENT

While there has been considerable improvement in gender representation and diversity in workplace health and safety roles, women remain under-represented in senior leadership roles. To survive and thrive as a successful safety leader, you must capitalise on your unique strengths and align your vision with the values of your organisation. Learn how to step back and step up, emerging as an influential safety leader in your organisation.

This hands-on, two-day interactive learning session will equip you with a practical leadership plan that you can use to navigate a successful career and advance to senior levels.

You will also have front-row seats for an exclusive Women in Safety leaders panel, which explores the realities of stepping up in safety, turning insights into action, and personalising the path to leadership.

WHO WILL ATTEND?

- ▶ Workplace Health and Safety (WHS)
- ▶ Occupational Health and Safety (OHS)
- ▶ Return to Work
- ▶ Safety Management
- ▶ Incident Management
- ▶ WorkCover
