Women in Project Management Leadership Workshop

BACKGROUND

For women in project management, advancing into executive-level leadership positions requires courage, self-confidence and a resilient mindset. You must have the ability to overcome an array of challenges and obstacles you may face throughout a project's career.

The Women in Project Management Leadership Workshop will offer practical strategies and the essential skills required for women to excel in this high-pressure role. It will equip you with a practical leadership plan that you can use to navigate a successful career and advance to senior levels.

You will also have front-row seats for an intimate 'Leadership Lunch', where a panel of senior women leaders will join us to share their real-world leadership experiences, expertise and insights for success!

Book now to secure a seat and take the next step in your career.

Day One

Understanding your leadership style

- Improve your self-awareness and self-reflection skills
- Align your leadership strengths with the expectations of your organisation
- Negotiate diversity and inclusion biases, enablers and blockers

How leadership styles impact project success

- Recognise how your leadership style may hinder or enhance project performance
- Identify and demonstrate positive behaviours in the project environment
- Navigate changing leadership presence and styles in an organisation

Leadership lunch (panel session)

- Prepare to lead and manage projects in the future
- Impacts of new technologies and methodologies on leadership
- Practical and personal advice for career progression
