2018 Theme: 'Innovate, Impact, Inspire'

Careers in STEM are more than just a job. STEM professionals innovate, impact and inspire profound industry change. What leadership skills are unique to people in these industries? Whether it be acting as a leader in the field or as an innovator within your team, you must consider the unique path you'll take as a STEM professional to advance your career.

This conference brings together accomplished STEM leaders to help you infuse innovation, action and inspiration into your role and beyond. You'll learn how to lead and influence others, paving the way for a bright future and a successful career.
